

Driftwood

(vs.1)

E	F#maj	B	
its	an angry looking wave	that's come	my way
E	F#maj	B	
gone	the peaceful waters,	passed again	
E	F#maj	B	G#m
whitecaps	come to steal my joy	away	
E	F#maj	B	
but i'm	floating with an eternity	of peace	

(vs.2)

as far as i can see out there its nothing new
but i will not trust myself or these eyes
they lie they say they don't see you
but i know you're right here by my side

(ch)

	E	F#maj	Bsus
lord i know you will find me in		currents of	sorrow
	E	F#maj	Bsus
you'll rescue me from oceans of		doom	
	E	F#maj	Bsus
when this sojourn with everything is		fading away	
	E	F#maj	Bsus
lord you'll find me,		i'll be clinging to	you
